

Junior Section Weekend Camp

10th to 12th July 2015

This year's Battalion Juniors Weekend Camp is to be held at Felden Lodge in Hemel Hempstead.

We will be offering the boys the chance to do a wide range of activities throughout the weekend including: archery, zip wire, rifle-shooting, crate stacking, pedal karts, and aero ball. All of these activities are led and supervised by qualified instructors at a local activity centre. Plus there will be plenty of time to play games, have a water fight, explore in the woods and grounds, take part in a quiz, watch a movie and take part in a treasure hunt!

Accommodation will be in tents onsite at Felden Lodge and we will have use of toilet and shower block.

All Meals will be served on site, with the first being a light supper on Friday (boys should have had dinner before coming to camp), and the last meal on Camp will be dinner on Sunday (Midday). A Canteen selling sweets and drinks will be open over the weekend, there will be no opportunities to spend money other than at the canteen.

The total cost of the Weekend Camp will be £45-00 per person, which includes accommodation, meals and all activities.

Further information will be given out at a later date, which will include a Kit List, and Parents Consent Form.

There are limited places, so do not wait, book your place now by returning the form below with a deposit of £20 (by 27th March 2015) to your leader.

If you have any questions please speak to a leader in your group.

Best Wishes

Chris Norman

Battalion Secretary
